

Summer Days with U3A

Technology Day Program - Draft
9:00 to 4:00 Friday 22nd January 2016

Sessions catering for all skill and expectation levels from those seeking to enhance their digital skills to those wondering whether they should participate in the digital age.

- Venue: St Mary's Anglican Church Hall, 195 High St Kangaroo Flat. Entrance at rear off Church Street.
- Admission: Non-members \$5, U3A Members free.
- Catering: tea coffee available throughout the day. Light Lunch, \$5.
- Computer, Camera and AV Media retailers will be invited to set up displays.

The program is pitched at Seniors who already have or are about to purchase digital devices: smart phones, tablets, PCs, backup drives, network devices, smart TVs, media players, etc.. Sessions will cater for those wanting assistance with basic operations through to experienced users who have some digital skills and want to learn more. The program will address the requests for assistance regarding the use of digital devices that U3A Bendigo received from its members in a recently completed survey.

9:00 to 9:30	<i>Registration</i>
9:30 to 10:20	<i>Learning About Your Technology with U3A</i> In the recent Media and Online Usage Questionnaire, 129 members sought assistance in 27 skill areas. The establishment of the weekly <i>Digital Skills Forums</i> is an initiative of U3A Bendigo to meet those needs.
10:20 to 10:40	Coffee Break, Exhibitor's Display browsing
10:40 to 11:30	<i>The benefits of keeping your PC and software up to date</i>
11:30 to 11:50	Coffee Break, Exhibitor's Display browsing
11:50 to 12:40	<i>Digital Photography: Transferring, Editing, Storing and Displaying Digital Images.</i> We may split in groups based on participants' operating system preferences.
12:40 to 1:50	Lunch Break, Exhibitor's Display browsing
1:40 to 2:30	<i>Getting More from Smart Phones and Tablets</i> Discussion and demonstration of accounts and passwords, the installation of Apps, sending to a TV or a speaker via WiFi or Bluetooth, connecting a phone to a car via Bluetooth, and accessing content on the Internet and on a home network. Bring your device. We may split in groups based on participants' device types and skill levels.
2:30 to 3:00	Coffee Break, Exhibitor's Display browsing
3:00-3:45	<i>Discussion Forum: Benefitting from Digital Technology</i> Tell U3A Bendigo how it can assist you to get more from your digital devices.
