COVID 19 Protocols for U3A Bendigo Members

1. To help slow the spread of coronavirus (COVID-19), stay safe by regularly washing your hands, keeping at least 1.5 metres from other people, and staying home if you feel unwell.
2. If you have symptoms of COVID-19 get tested.
3. Be aware of your underlying health issues by asking yourself if I am at a greater risk if I leave my home at the moment.
4. The use of face coverings is mandatory throughout Victoria. Penalties apply if caught not wearing a face covering when you leave your home.
5. From 11:59pm on 5 August, stage three restrictions apply throughout regional Victoria, which means only U3A Bendigo online activities are permitted.
6. All other U3A Bendigo activities are suspended until further notice.
