Review of Library Books :

The Fiction Section is finished and we are working on the Non-fiction Section and when this is done the review will be completed.

Recent Additions:

The Shepherd's Hut, by Tim Winton. A novel which was published in 2018.

Black and Blue, by Ian Rankin. An Inspector Rebus novel.

Steve Jobs, by Walter Isaacson. Based on 40 interviews with Steve Jobs over a period of 2 years.

The Last Buccaneer, by Matthew Pearl. The Times reported that this book is "A mixture of classic heist and literary history lesson; the whole Victorian world of letters is cleverly and wittingly re-imagined".
