The Rob Young Music Collection

Rob Young was an enthusiastic member of Music for Pleasure and after his death his music CD collection was presented to our U3A. There are about 280 CDs and they are being progressively placed on Library shelves below the Borrow Records shelf. The CDs can be borrowed. Please record your borrowings in the Music CD Borrow Book and if possible limit the period of borrowing to one month.

The CDs are also being cataloged: first in Excel by Jo Johnson, Convenor of Music for Pleasure and then by Michael Gallagher who is formatting them and uploading them to our U3A website where the catalogue will be accessible on the U3A Library web page.

Catalogue of Biographies

This activity is nearing completion. Michael Gallagher is preparing to upload the catalogue to our U3A Library web page where it can be accessed.
