

RISK MANAGEMENT POLICY

Introduction

U3A Bendigo Incorporated recognises the importance to the organisation of managing risks, its members and its property and will endeavour to minimise risks wherever we can. U3A Bendigo is committed to managing risks as far as is possible, associated with running authorised classes and activities within U3A and authorised activities it provides outside of U3A Bendigo premises.

Purpose

The purpose of this policy is to ensure that all members work within our Public Liability Insurance requirements and to encourage the identification of potential risks to U3A Bendigo and its members and to document our approach to managing those identified risks.

Public Liability Insurance Implications

1. U3A has always had comprehensive Public Liability Insurance cover and our current insurer is Chubb Voluntary Workers Insurance (CVWI).
2. U3A's Public Liability Insurance covers the U3A Bendigo organisation in multiple situations, which includes cover for activities undertaken at the U3A premises as well as at other venues where an "authorised activity" is taking place.
3. To comply with the CVWI it is a requirement that all U3A Bendigo activities must be approved by the Committee of Management to qualify as authorised activities.
4. An authorised activity is one that U3A Bendigo's Committee of Management has, by resolution, agreed the organisation will provide.
5. U3A Bendigo's Committee of Management will:
 - Properly consider the proposed activity including its merits, benefits and risks and by a majority vote, pass a resolution agreeing the organisation will provide the activity/proposed activity; and
 - Exercise 'competent' and 'real' control over the operation of the activity or proposed activity. This means U3A Bendigo has sufficient capacity to undertake an activity, to be determined by undertaking a full risk assessment.

Policy

This policy acknowledges that U3A Bendigo has a duty to provide a safe environment for its members and to mitigate risks wherever possible.
