The Matt Christie Institute of Australia brings Media Courses to the region

The Matt Christie Institute of Australia brings media courses to the rural regional Victoria & New South Wales this Winter with courses in Radio/Podcasting Broadcasting, Production & Editing and Interview skills. Open to all ages.

Course information sessions kick off in July 2023 at the **Long Gully Neighbourhood Centre** 52-54 Derwent Drive Long Gully 3550. The learning hubs have been established enabling people to attend courses close to where they live without the travel as the rising cost of living continues to increase.

MCIOA has partnered with **Long Gully Neighbourhood Centre** bringing new courses to the Bendigo region.

The Long Gully Neighbourhood Centre Inc. (LGNC) is a non-profit organisation governed by a voluntary Committee of Governance comprising mostly of community members, and managed on a day to day basis by a Centre Coordinator.
